

## COVERED CALIFORNIA ENROLLMENT ASSISTANCE AUTHORIZATION FORMS

Effective August 1, 2014, counselors must provide and obtain a completed and signed Covered California Enrollment Assistance Form (Authorization) from every consumer prior to providing enrollment assistance services. The California Enrollment Assistance Form is an authorization consenting to the release of the consumer's Personally Identifiable Information to the Entity and Counselor. It is the responsibility for the Counselor/Entity to maintain a record of each completed Authorization for 6 years, in accordance with the privacy and security standards established by Covered California.
