

CEC Tips of the Week

1. Go to www.coveredca.com and click on "Account Login"

The screenshot shows the Covered California website homepage. At the top, there is a yellow navigation bar with the Covered California logo on the left and menu items: ABOUT US, COVERAGE, RESOURCES, PROGRAMS & PARTNERS, NEWS CENTER, and LANGUAGES: ENGLISH. Below the navigation bar is a large banner image of a family riding bicycles. Overlaid on the right side of the banner is a dark grey box with white text that reads: "You Can Still Apply for Health Coverage! Affordable health coverage options are available all year, including Medi-Cal! Big life changes or losing health insurance may qualify you for Covered California coverage now, even though open enrollment is over." Below this text are three yellow buttons: "Apply Now", "Account Login" (which is circled in red), and "How To Pay". At the bottom of the banner, there are four icons with corresponding text: a calculator icon for "Shop and Compare Tool", a storefront icon for "Small Businesses", a question mark icon for "Frequently Asked Questions (FAQs)", and a person icon for "Find Help Near You".

2. Log into your portal
