

JOB AID: LOGGING INTO COVERED CALIFORNIA

Your destination for affordable, quality health care, including Medi-Cal

June 26, 2014

This Job Aid explains how to log into the website for Covered California, once you've created your Covered California account. It also explains the process for resetting your password or recovering your username.

Log into your Covered California account

If you already have a Covered California account, here is how to log in:

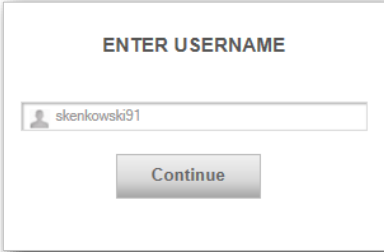

1. Go to the Covered California home page at www.CoveredCA.com.
2. Click the **Account Log In** button – the *Log In* page displays.
3. Type in your username and password and click the **Login** button.
4. You are prompted to answer one of your security questions, set up when you logged into CoveredCA.com for the first time.

5. Once you correctly respond to your security question, the system navigates you to your home page, where you can **Apply** for coverage, **Resume** your application (shown), or **Report a Change**.

Forgot Your Password?

If you cannot remember your password, follow these steps:

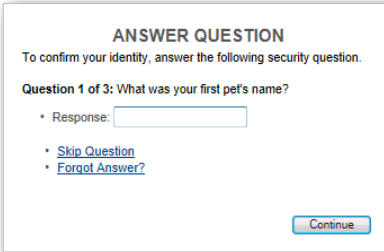

6. On the *Login or Create an Account* page Click on the **Forgot your password?** link. You are prompted to enter your username.
7. After entering your username, you are prompted to answer three of your five security questions.
8. After answering all three security questions correctly, you are navigated to a screen to reset your password. You must reset your password by entering a new password twice. Note the rules for passwords:
 - 8-16 characters
 - At least one upper-case alpha character
 - At least one lower-case alpha character
 - At least one number
 - At least one special character.
 - Password must start with a letter
 - Cannot contain a common dictionary word or name
 - Make up a new password each time you need to reset.
9. When your new password is confirmed, you are again asked to answer one of your security questions before you are navigated to your home page.

There is an input field for the answer, with a yellow "Back" button to the left and a yellow "Continue" button to the right.

The screenshot shows a "Confirmation Page". It says "Thank you. Your username has been sent to your email address. Please wait a few minutes before checking your email account to retrieve your username." Below this, there is a note: "Note: Covered California will send an email message from the email address donotreply@coveredca.com. If you don't see an email from this email, try looking in your SPAM or Junk folder. Your SPAM blocker must be set to allow incoming messages from the email address donotreply@coveredca.com to view email messages in your inbox." At the bottom, there is a yellow "Log In" button.

Multiple Attempts

Note that after three or more consecutive unsuccessful sign in attempts, you are navigated to the *Contact Us* page. Your account is automatically locked for 1 hour.

You can unlock your account by following the instructions above to reset your password, or you may call Covered California's Customer Service line for help unlocking your account by either recovering your username or resetting your password.
